Technology Center 2600

Dear Sir:

The following is being submitted in response to the Office Action dated April 10, 2002. Please amend the application as follows:

In the Specification:

Please amend the application by replacing the appropriate paragraph with the following "clean" version:

Page 8, lines 3-9:

07/23/2002 VBUTLER 00000002 500612 09415481

Layer 60 shows the location of a substrate that would be viewable through transparent layers 52-58. Examples of such a substrate include, but are not limited to, an opaque substrate, or a graphical display device such as, but not limited to a
